Thank you to all our Chamber Members who have renewed for the year 2012. Please continue to utilize the Chamber resources to promote your business.

JOIN US FOR THE

SUMMER MARKET AT THE CHAMBER

This is a market for All Chamber members to share their information, products, network and shop!

Supporting your local small businesses is what it is about.

If you would like to join in Friday's Market just give me a call.

You will need to bring a table and tent if you choose, we do have a limited electrical source.

11:00am to 3:00pm Friday's Only

The Greater LaBelle Chamber of Commerce Mission is to improve the overall business climate and quality of life for the Western Hendry County area through sponsorships of programs that promote, facilitate and stimulate economic growth, civic participation and development, business advocacy, and education.

BUSINESS OF THE MONTH LaBelle Heritage Museum

Located at 360 North Bridge Street strives to gather stories of our pioneer families, to preserve historic sites, artifacts and records, to promote historical research and knowledge, and above all to present events to the Greater LaBelle Community which make history "come alive. It's regular hours are Monday and Tuesday, 9am to noon and Thursday through Saturday from 1pm to 4pm in the afternoon. Summer hours are Monday and Tuesday from 9am to noon. The Museum trys to accommodate groups of five or more with advanced notice.

The Museum's phone number is 863-674-0034

E-mail address is labelleheritagemuseum@comcast.net

After several false starts over the years, the museum was able to acquire the William Hardy Poole building in the Downtown

LaBelle Historic District in 2001. The two-story building would become the main museum with permanent and rotating display ares downstairs and archives and administrative offices upstairs.

The museum applied for a 2014 VIVA FLORIDA 500!

Small Marching Grant from the Florida Bureau of Historic

Preservation at the end of June to develop the museum complex.

A traveling display prepared by local professional engineer

Larry Bennett will show how the expanded

NEW WEBSITE ON LINE Check out our new website at www.labellechamber.com

Please take a little time and look at your new website, check your listing make sure all information is correct.

Please if you have a website send us a link and we will join the two!

All monthly flyers will be added just once a month so be sure to send a PDF at the end of every month.

All changes to listings will be done just once a month.

Lastly the newsletter will be on line, due to the rising costs of printing and postage we will be phasing out the hard copies and reeling on the internet more.

We have a community calendar that, if you are a member of the chamber you are able to post your event.

For more information please call 863-675-0125
